# Astro CHILMARK+

**POA**

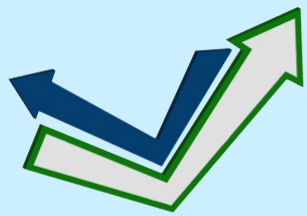

**Eligible for VAT  
Relief**

**Made in the UK**

**5 Year Warranty**

***The Astro Chilmark+ is recommended as a Bespoke, Lift-to-Stand seating solution for ambulant or semi-ambulant users.***

**This made-to-measure, multi-action, rise and recline chair will support most general and early stage conditions whilst providing excellent postural support and pressure relief.**

**The Chilmark+ provides a number of options to enable regular repositioning of a user's posture to redistribute pressure and support pressure care management. Functions include legrest elevation, tilt-in-space, backrest recline and rise-to-stand.**

**The Chilmark+ is a multi-frame action chair where users can individually select each function independently. These functions facilitate the best possible lift-to-stand position.**
